**Comment:**

Hi , Thanks for having opportunity for adding comments. As now a days people belonging to some countries(China, India so on ) who are on path to green card are struck by log wait times due to per country limit are bond to to stick with same employer to the extent of 9=10 years. I request USCIS and DHA to amend rules such a way that people after been on H1b visa for specific years are eligible for independent work authorization till they get green cards. \*🌐
